ABOUT THE CLINE AVENUE BRIDGE (CAB)

The CAB is a two-lane 6,236-foot undivided roadway facility with 8' safety shoulders and 3' 6" high barrier walls. The approach grades are approximately 5 percent. The electronic toll gantry, with a vertical clearance of 17'6" above pavement, is located near the west end of the bridge. An Oversize Permit from CAB is required when the action or use of the facility requires the facility to be closed to all traffic. See the attached fee schedule to determine amount due; permit fee does not include tolls for any vehicles.

INSTRUCTIONS

Use this form to apply for Oversize Permit. Use one form for multiple actions/uses on the same day. Separate forms are to be used for multiple actions/uses on different days (or in lieu of using separate forms, complete one form and attach a detailed schedule for multiple actions/uses on multiple days) Please allow up to 30 working days for permit processing by CAB.

1. Obtain the needed hauling permit from INDOT. Attach both the completed INDOT application and the approved INDOT oversize permit to this application.
2. Complete this form.
3. Submit the completed form with INDOT oversize permit application and approved permit; proof of liability insurance; copy of BOL clearly stating gross weight, height, and weight of shipment to **permits@clineave.com**.

CONDITIONS

- Travel under this Oversize Permit may only occur on the facility between the hours of 9:00 a.m. and 3:00 p.m. Monday through Friday. Only the General Manager can approve Oversize Permits for travel on the facility outside of these times.
- Oversize Permits shall be approved by the General Manager only. Additional conditions and requirements may be required and will be provided to the Applicant when the approved permit is issued.
- Applicant must have valid liability insurance for the action/use described and will be responsible for any property damage caused by Applicant's action/use of the facility.
- Applicant has reviewed the CAB safety facility constraints and certifies that the action/use can be safely completed without damage to the facility.
- Proper escort vehicles and flaggers are required at all times, even if not required by the INDOT permit. Haulers may provide their own additional Escort/Flagger if approved by the CAB prior to the date of movement.
